Subject: Briefing materials for the December 16 UTBB meeting with Administrator McCarthy

Palmer, Noah and Marissa:

Attached are R10's briefing documents. Please make any additions you feel are necessary before providing to the Administrator's staff (I used the briefing template Matt Fritz sent a few months back). Please insert the names of HQ staff that will be participating in the meeting. Also note that on the list of attendees, it looks like the Manokotak Tribe is misspelled as "Manokota." Please make sure that is noted for any materials that are handed out to the Administrator and her staff at the meeting.

Let me know if you have any additional questions or need additional materials.

Kendra

Considering the Administrator has been briefed already, we will probably just make updates to current documents. Rick Parkin is aware of the requests and I will work with our staff to materials in to HQ.

I believe R10 usually sends materials for Bristol Bay meetings (but runs everything by OW and OITA first).

Folks:

Is R10 taking the lead in sending briefing materials to the AO for the Monday meeting?

Alison - this is the final list of external attendees for the 11:30 on Monday. If it is excessively long then it should be included in the briefing materials. Noah, can you handle that. Alison, going to loop you in with Rob so you can provide him with our arrival instructions. This group will be screened by security so please include the language stating that they should bring their ids and will be screened. If this is unclear please let me know. Thanks!
